You can stay Friday and Saturday nights or just Saturday. Group rates apply the discount for everyone if we have a total of 10 rooms booked for both nights (example 5 for Friday and 5 for Saturday). Rates must be secured BY SEPT 10. *See registration info above in red box.*

FRIDAY: 4pm check-in time at the resort We have 3 options for Friday evening: 1) Dinner at one of the exclusive resort restaurants 2) Experience the fabulous Italian food and wines at the French Lick Winery 3) Enjoy a great dinner and a rockin' 50's and 60's Branson style musical production of "Twist the Night Away" in Larry Bird's old garage (it's a theater now) from when he lived in French Lick. We've attended several of these shows and they are a lot of fun!

Dinner tickets for the show are \$43 adults and \$41 seniors + taxes. There are many things to do Friday night in French Lick including many great restaurants if not interested in the show

SATURDAY: Breakfast on your own or join Sara and me at the Denny's in French Lick. 10am meet at the back parking lot of West Baden for a Poker Run scenic drive. There will be first and second prizes for the top two hands and probably our 50-50 Raffle! At the end of the drive we'll have lunch at Legendz Bar & Grill in "downtown" French Lick. The rest of the afternoon will be yours to explore French Lick, the two resorts or the casino at the French Lick Resort.

But --- be sure to save a lot of room for dinner. At 6:30 we'll be enjoying an incredible "family style" German meal at the German Restaurant, again in downtown French Lick. \$30/ person includes all the great German food you can eat! There is also a full bar if you'd like a drink with dinner.

SUNDAY: On your own - check out time is 11am

I would really like to start planning this event early so we can reserve a group of rooms For those of you who made the regional event last October, you know how much fun it is to visit French Lick.

Please review some of the pictures and give this event serious consideration as we can definitely have a great time. If we could get 10 - 20 cars, we'd have a blast!
