1911 Grill: <https://www.sikarting.com/1911-grill>

The Museum is located at 4750 W. 16th Street, Speedway, IN, 46224, inside the track between turns 1 and 2. The entrance to the Museum is located at **Gate 2 on the north side** of 16th Street. This is marked by a black banner on the west side of the entrance.

Parking is available at the Museum and is free of charge during days that the track is not in use for a race or other public event. During races and certain other events, Museum guests may need to park outside of the track and walk in.

After our tour at IMS we'll drift over to the **1911 Grill** for lunch in our own room. Be sure to check their menu online. Then, it's downstairs for Go-Karting at its best. I think there's a movie about this experience—"Catch Me If You Can!" OK, maybe that was a different deal—but the idea remains. I'll see you in turn 3!
